

Metals Exchange

Assembly Instructions

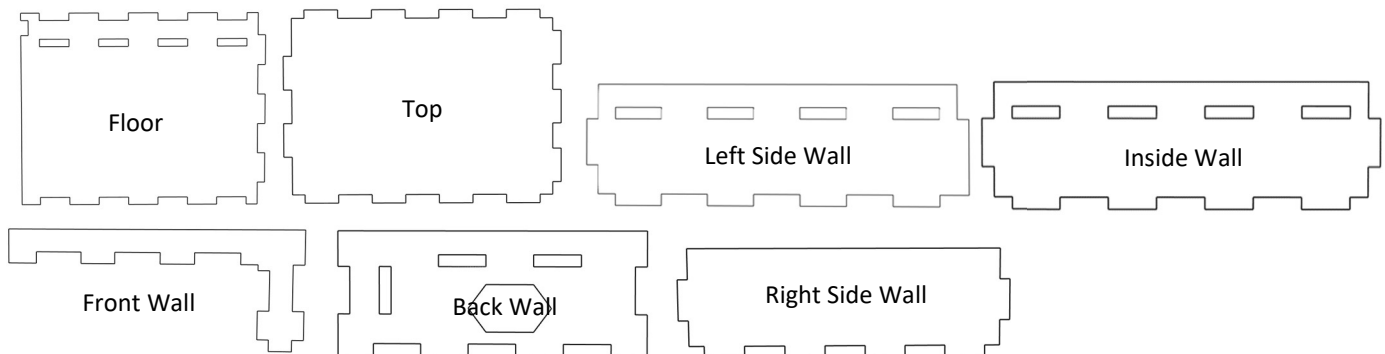

***This product is intended to be assembled using wood glue to ensure its durability and longevity.*

Step 1:

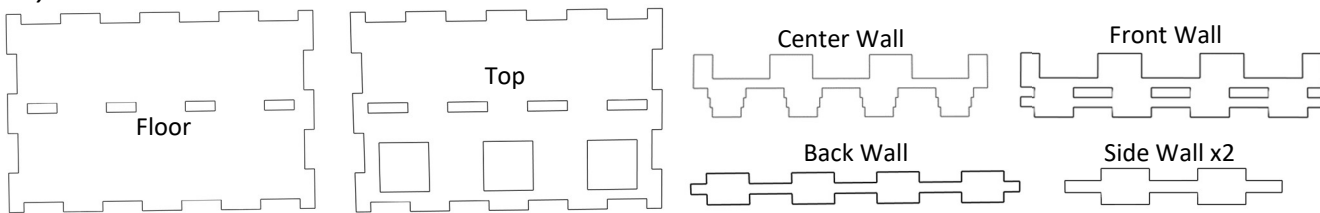

Separate pieces into their respective piles.

Note: For the Tray, there are 2 Top pieces with different square cut sizes. The Top piece with larger square holes will fit standard 16mm dice, and the Top piece with smaller square holes will fit the metal dice. The metal dice will also fit in the standard larger square holes as well.

Metals Exchange:

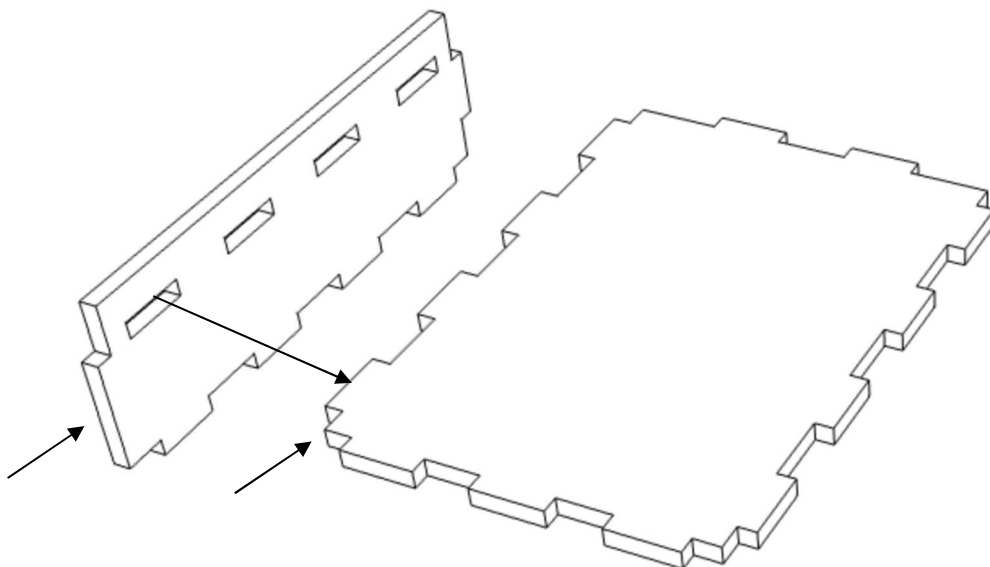

Tray:

Metals Exchange Instructions

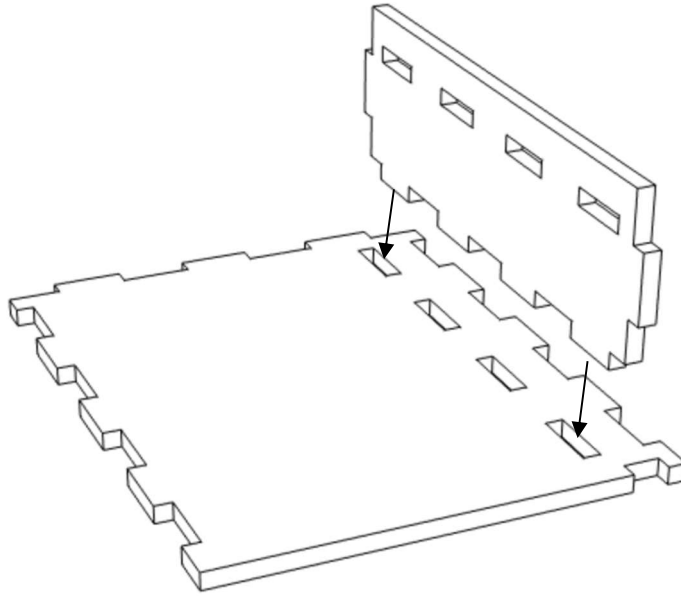

Step 2 (Metals Exchange Pieces):

Attach the Top piece to the Left Side piece, making note it is facing the correct way as shown.

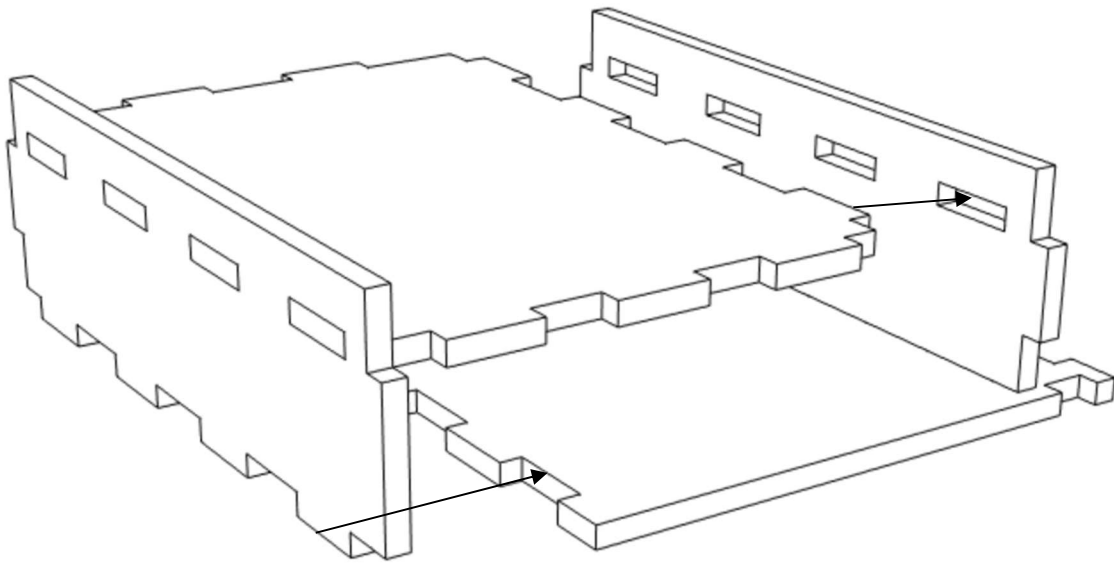

Step 3 (Metals Exchange Pieces):
