

## Middle Drawer

Assembly Instructions

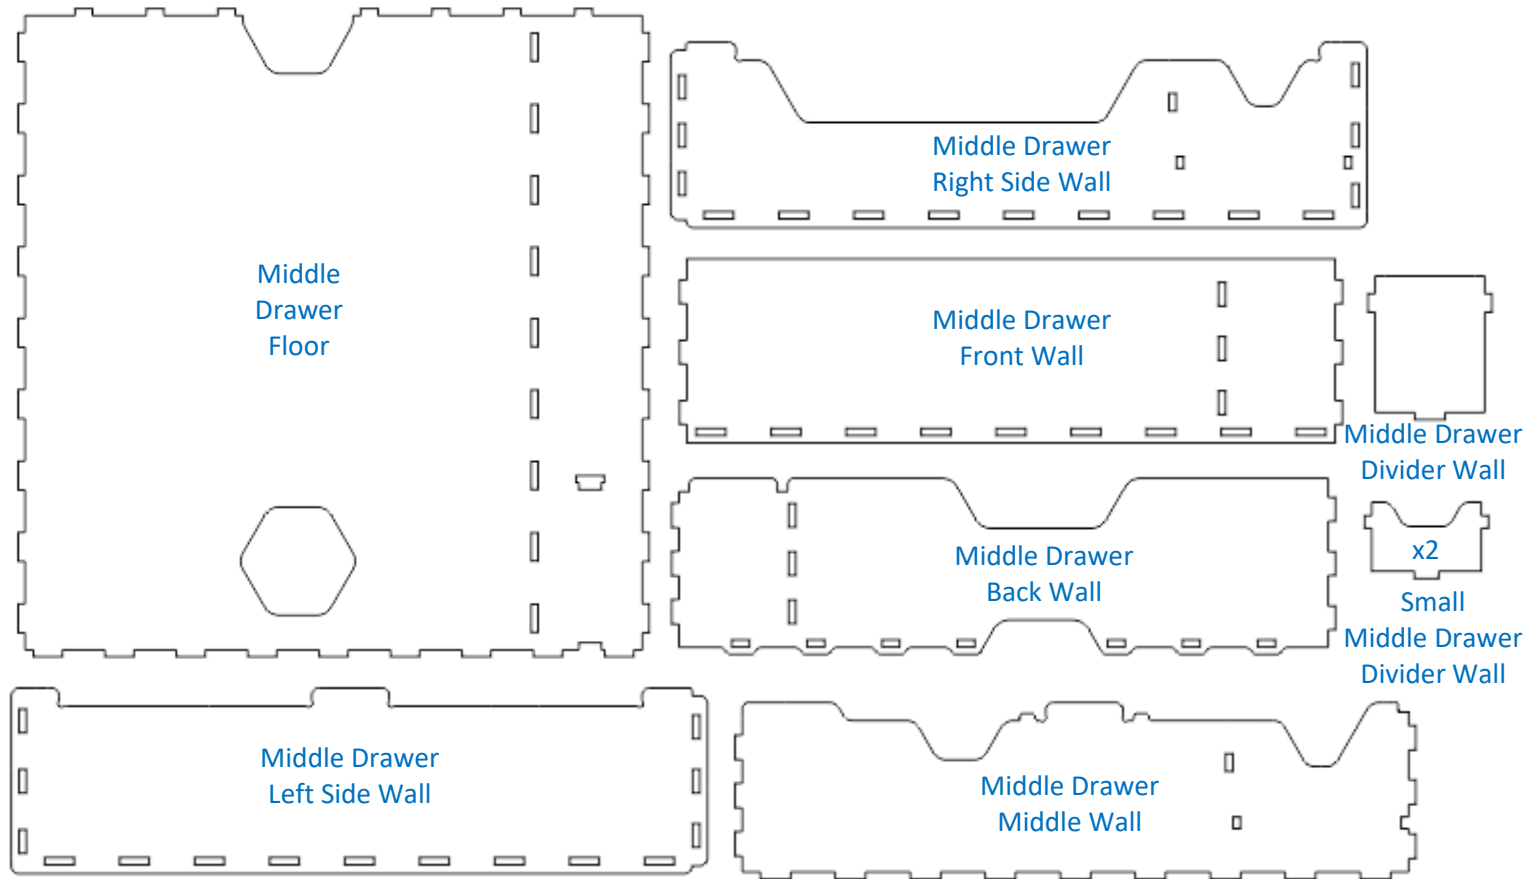

**\*\* This product is intended to be assembled using wood glue to ensure its durability and longevity. \*\***

## Step 1:

Separate pieces into their respective piles.

### Middle Drawer:

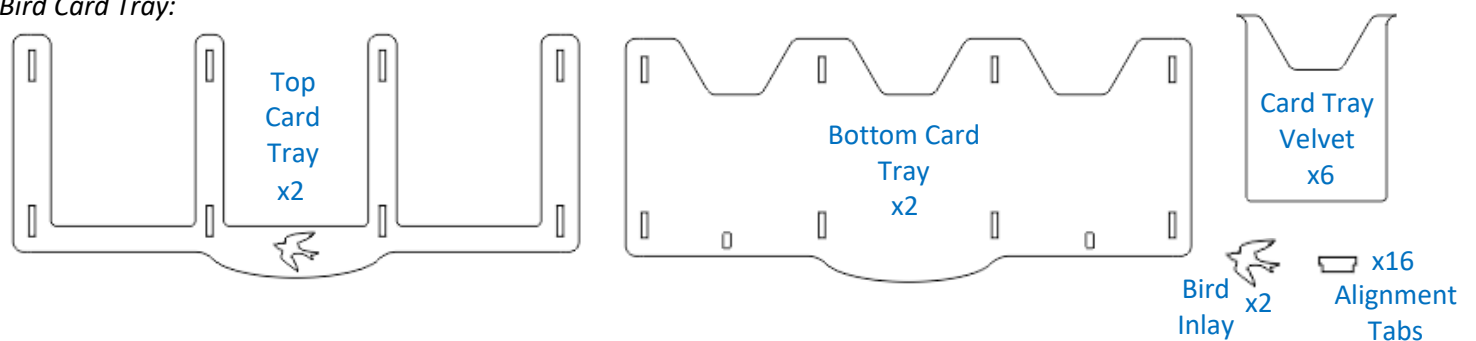

### Token Holder:

### Goal Tile Holder:

### Bird Card Tray:

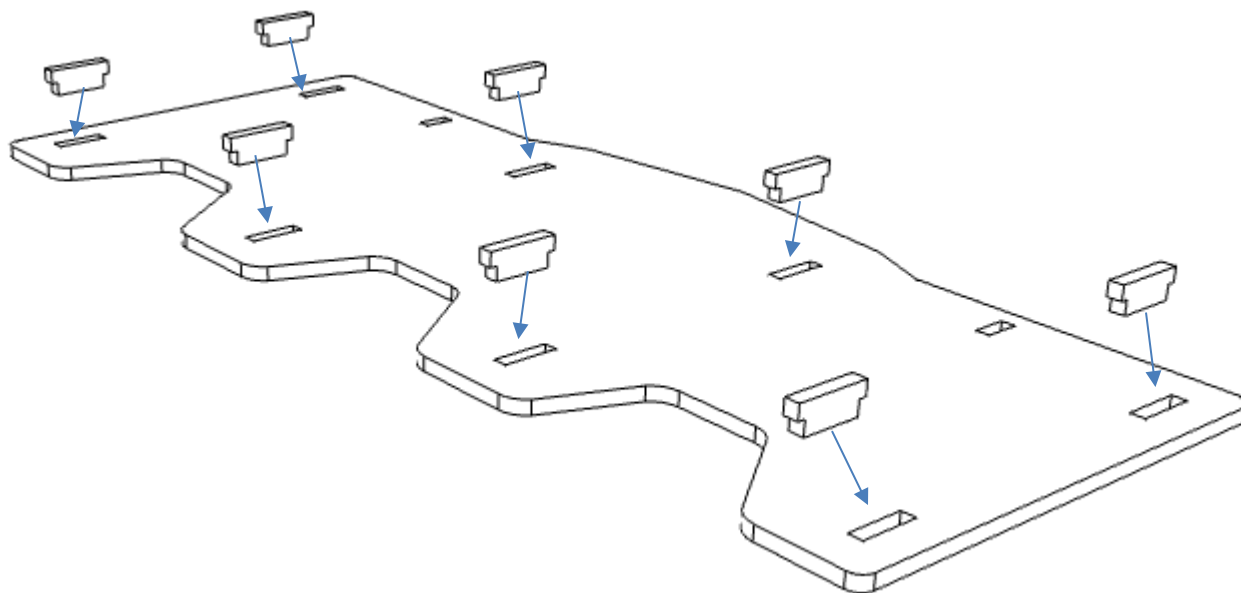

**\*Blue arrows indicate connection points and red arrows highlight correct facing/direction of pieces\***

## Bird Card Tray Instructions

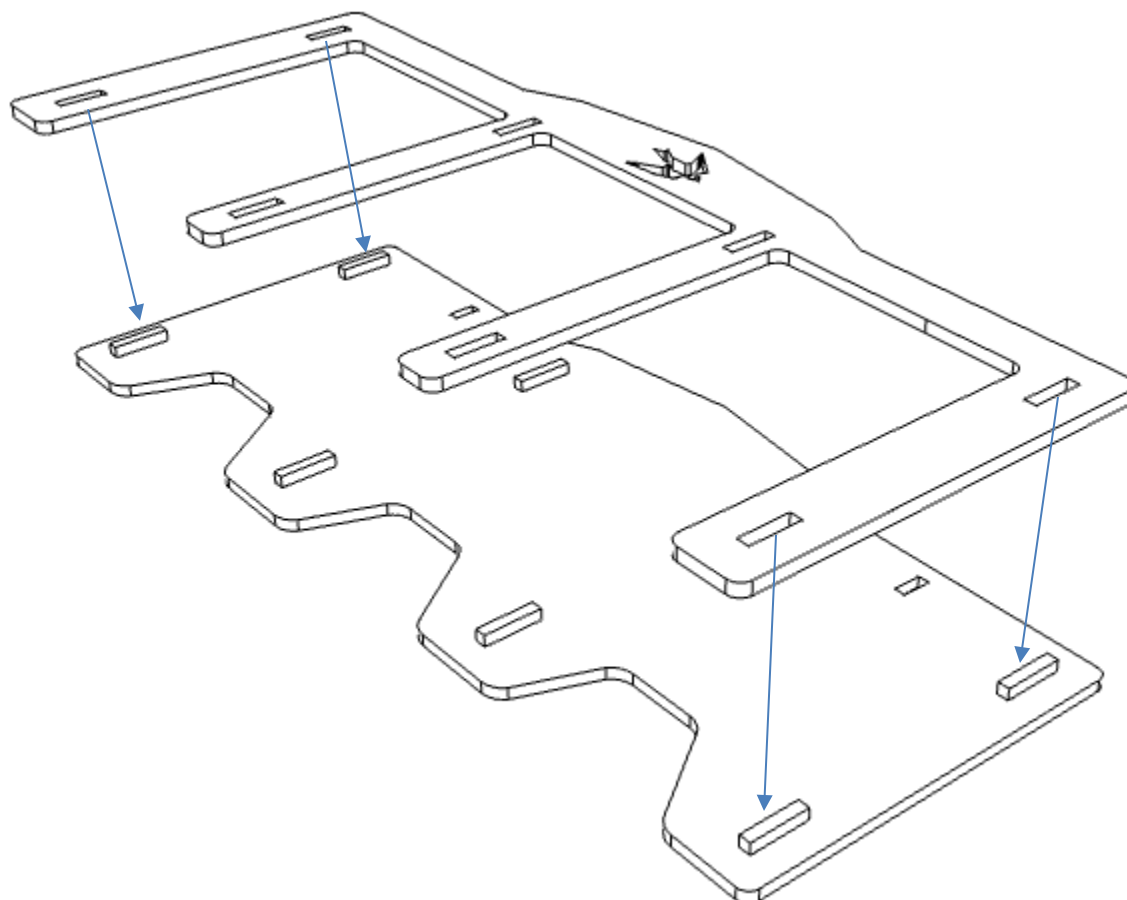

### Step 2 (Bird Card Tray):

Attach the Alignment Tabs to the Bottom Card Tray piece, making note they are facing the correct way as shown. Note the Alignment Tabs will only fit on one side.

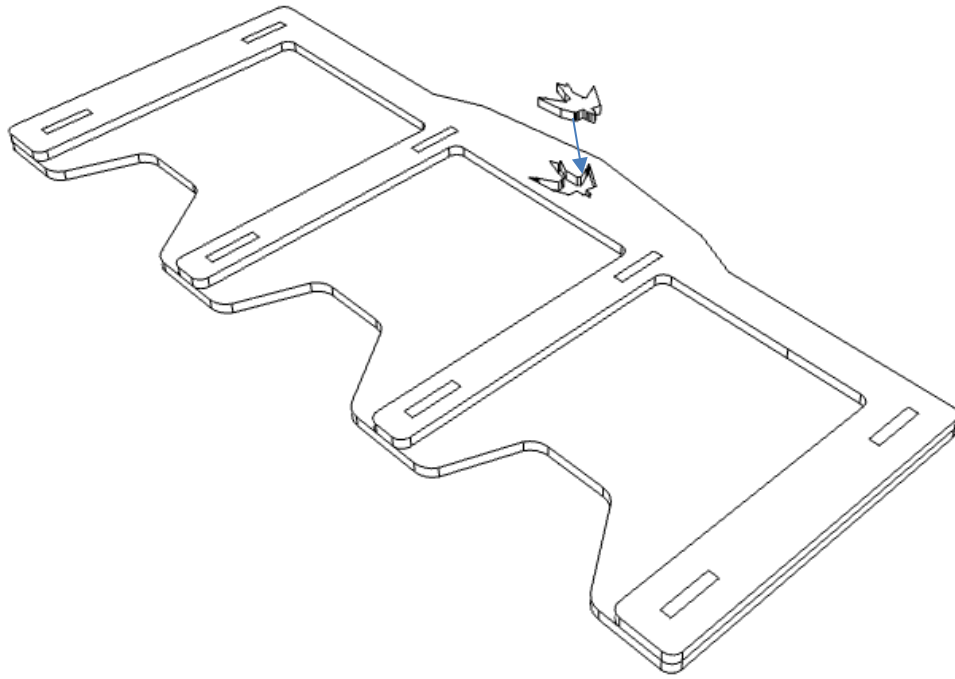

### Step 3 (Bird Card Tray):

Attach the Top Card Tray to the Bottom Card Tray, making note that the Top Card Tray is the correct way as shown (with the bird cutout facing right and down). The Alignment Tabs will only fit on one side.

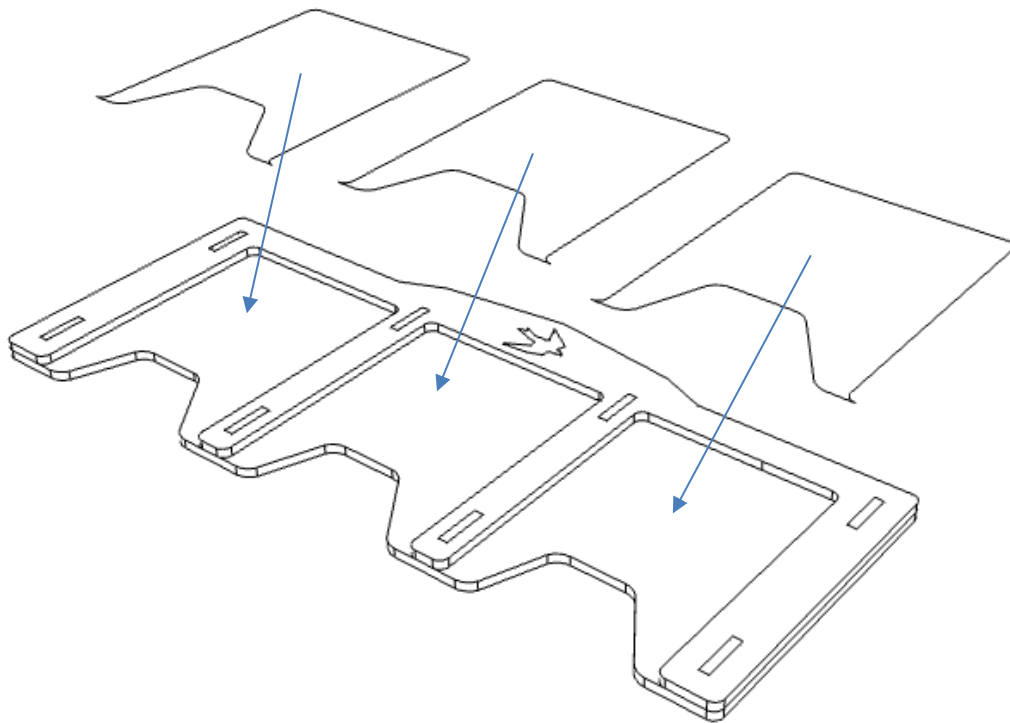

#### Step 4 (Bird Card Tray):

Remove the protective brown layer from the Bird Inlay, and insert it into the Top Card Tray, making note it is facing the correct way as shown. You may put a little bit of glue in the cutout before placing the Bird Inlay.

#### Step 5 (Bird Card Tray):

Attach the Card Tray velvet to the Bird Card Tray piece, making note it is facing the correct way as shown.

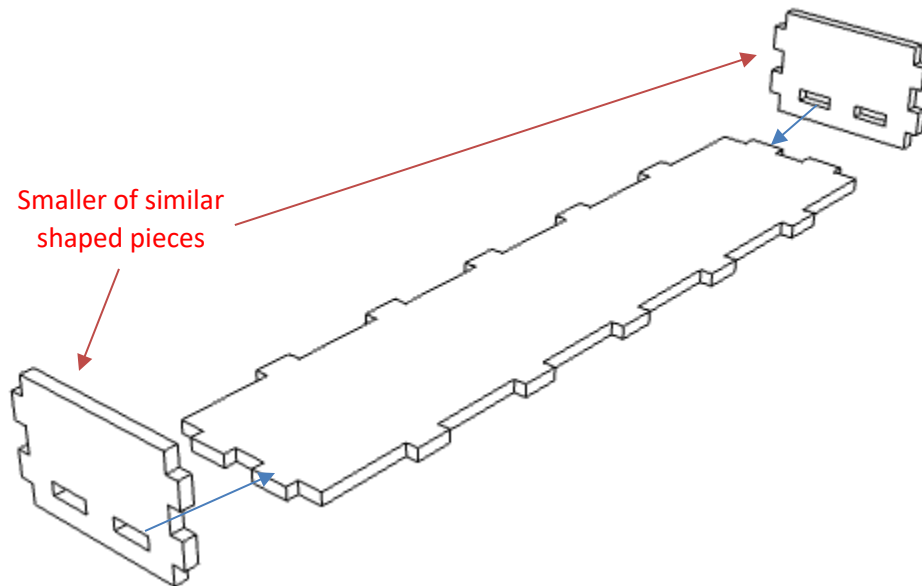

*Note for applying Velvet for Step 5 – Once you peel off the brown layer that covers the adhesive side ensure you place directly onto the wood and not back onto the brown layer to apply later, the velvet will form a strong hold with the material it is applied to. Refer to assembly video for more tips on applying the velvet if needed.*

**Bird Card Tray is now complete. Repeat Steps 2-5 one more time.**

## Token Holder Instructions

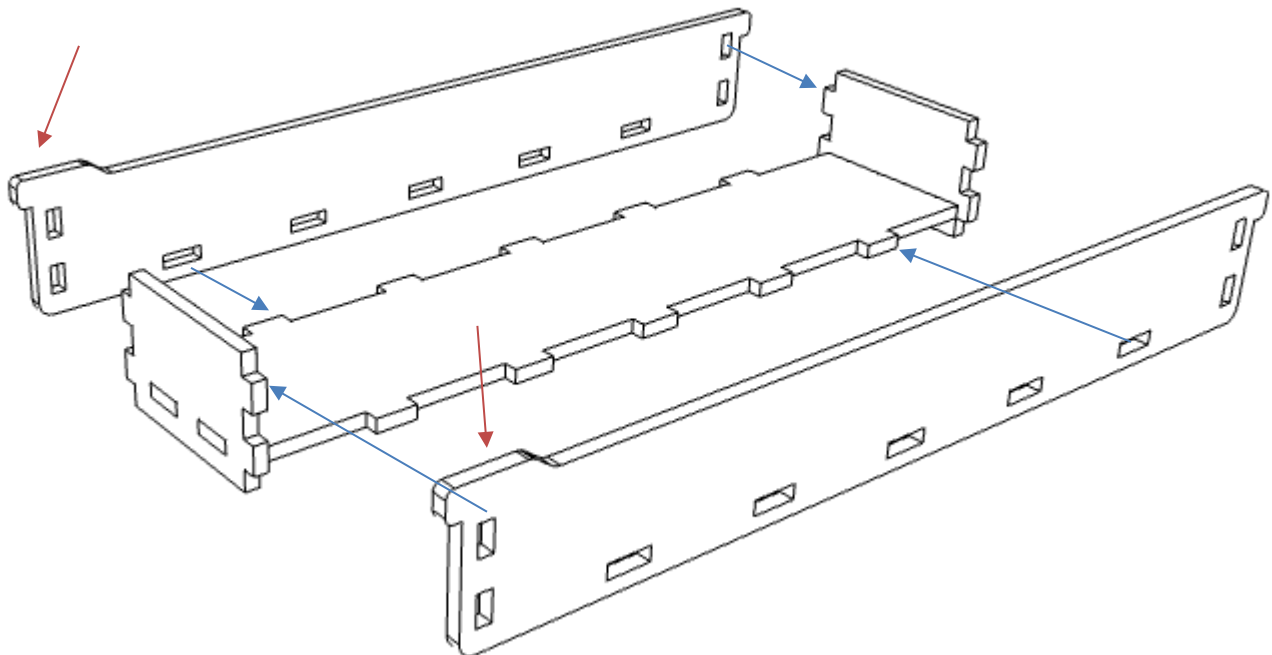

### Step 6 (Token Holder):

Attach the Token Holder End Wall pieces to the Floor piece, making sure they are facing the correct way as shown.

### Step 7 (Token Holder):

Attach the Token Holder Side Walls to the Floor and End Wall pieces as shown. Make sure the raised side (denoted with the red arrows) on each Side Wall are both facing the same way as shown.

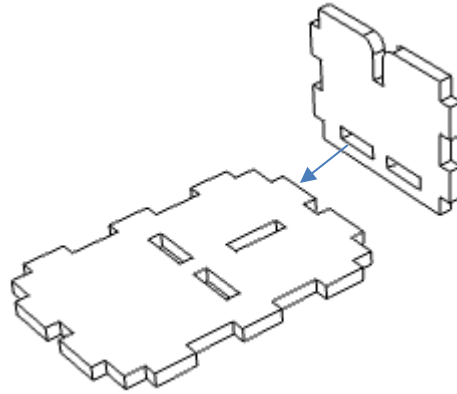

**Token Holder is now complete.**

## Goal Tile Holder Instructions

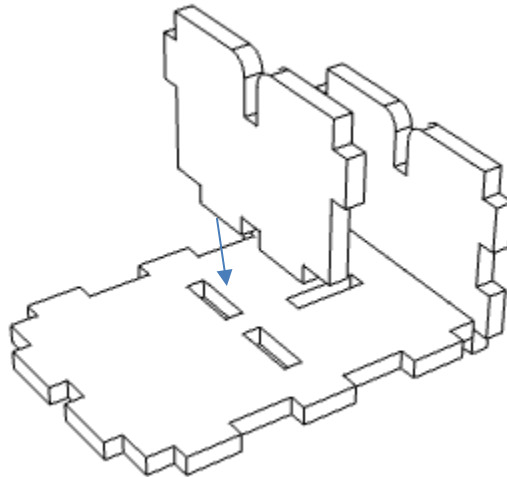

### Step 8 (Goal Tile Holder):

Attach the Slotted Tile Holder End Wall piece to the Bottom piece, making note it is facing the correct way as shown. Also make sure the Slotted Tile Holder End Wall piece is on the end with the notch on the Bottom piece.

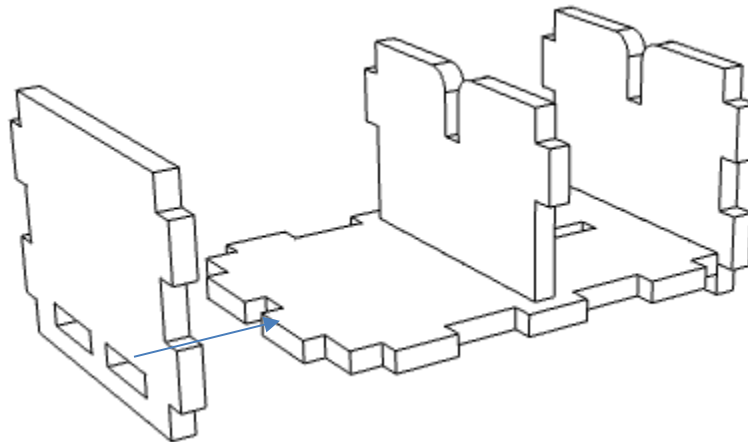

### Step 9 (Goal Tile Holder):

Attach the Tile Holder Middle Wall piece to the Bottom piece, making note they are facing the correct way as shown.

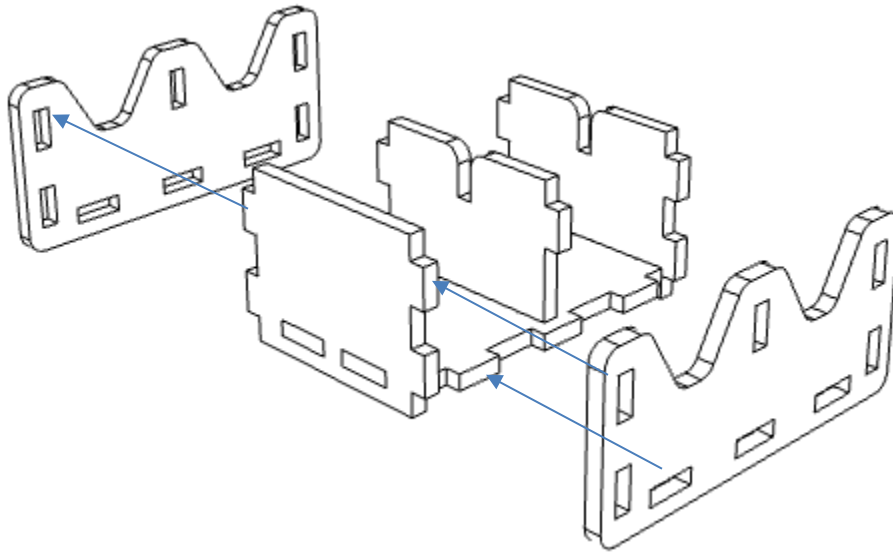

### Step 10 (Goal Tile Holder):

Attach the Tile Holder End Wall piece to the Bottom piece, making note it is facing the correct way as shown.

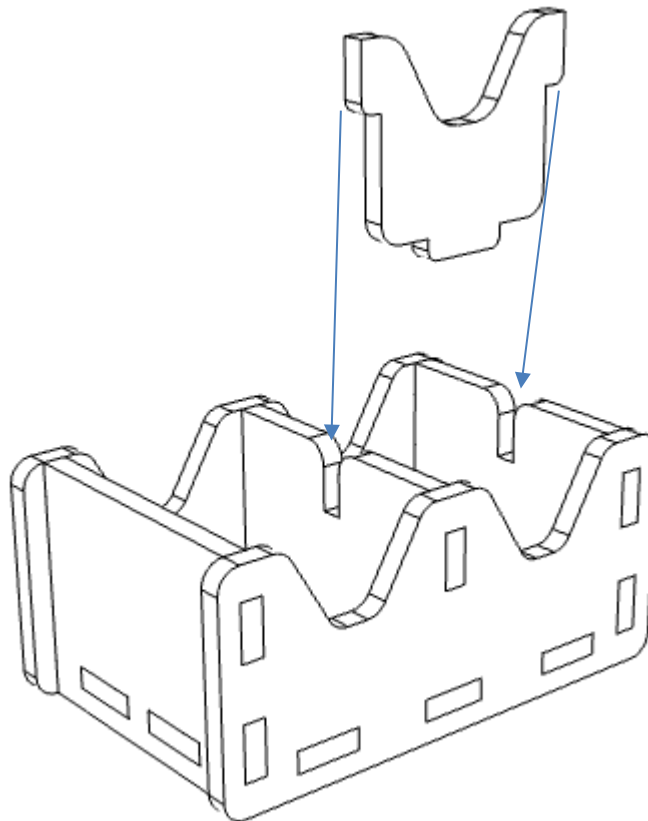

### Step 11 (Goal Tile Holder):

Attach the two Tile Holder Side Wall pieces to the assembled piece from Steps 8-10, making note it is facing the correct way as shown.

### Step 12 (Goal Tile Holder):

Insert the Divider Wall piece into the Goal Tile Holder (where the two slots are), making note it is facing the correct way.

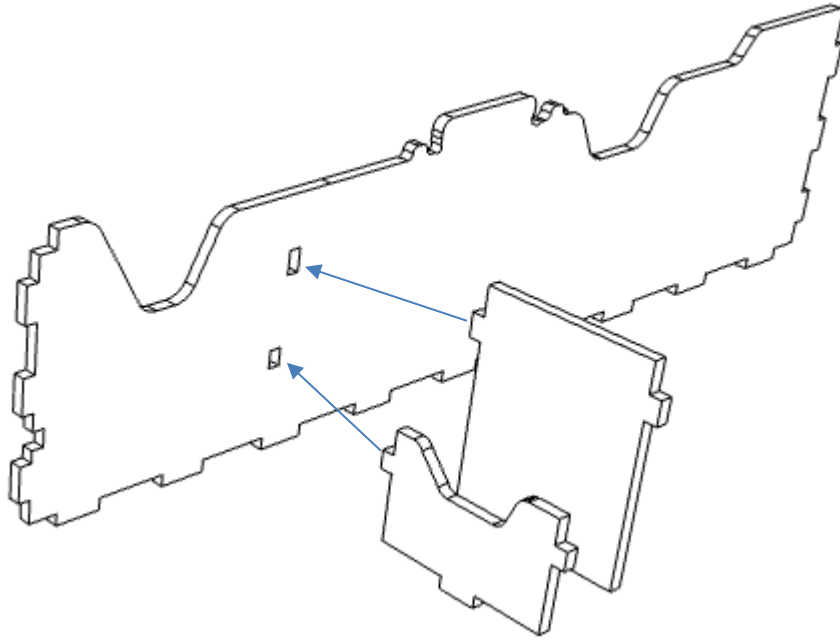

**Goal Tile Holder is now complete.**

## Middle Drawer Instructions

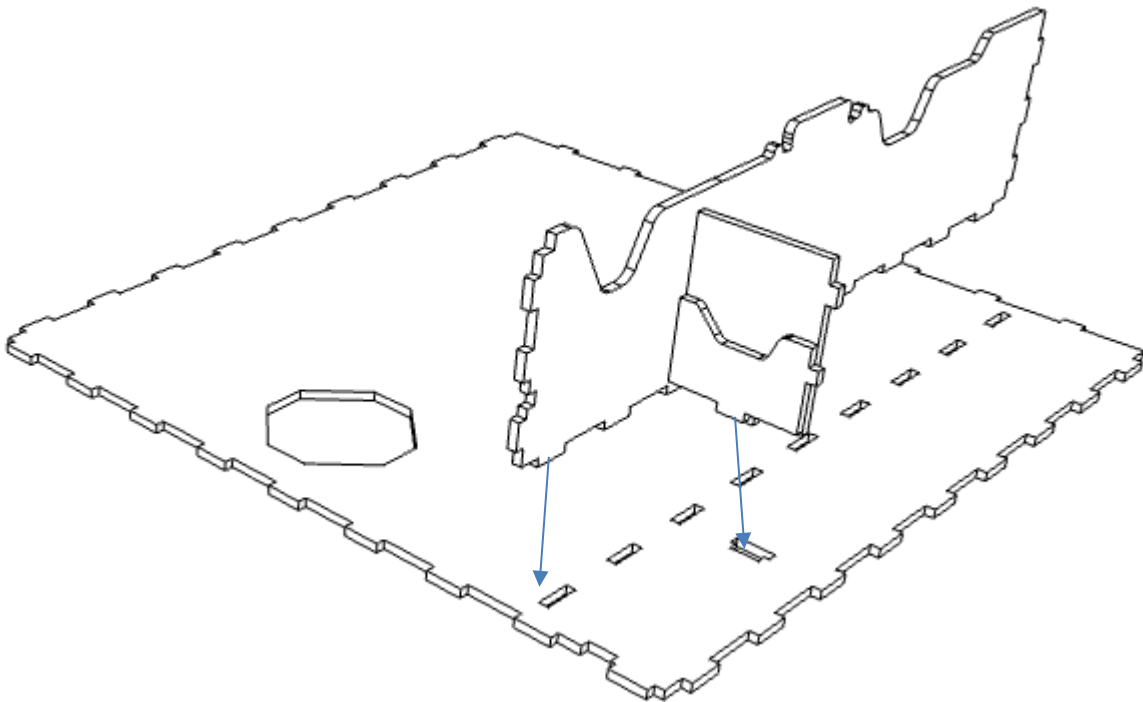

### Step 13 (Middle Drawer):

Attach the Divider Wall piece – as well as one of the small Divider Wall pieces – to the Middle Wall piece, making note it is facing the correct way as shown and that both Divider Wall pieces are aligned.

### Step 14 (Middle Drawer):

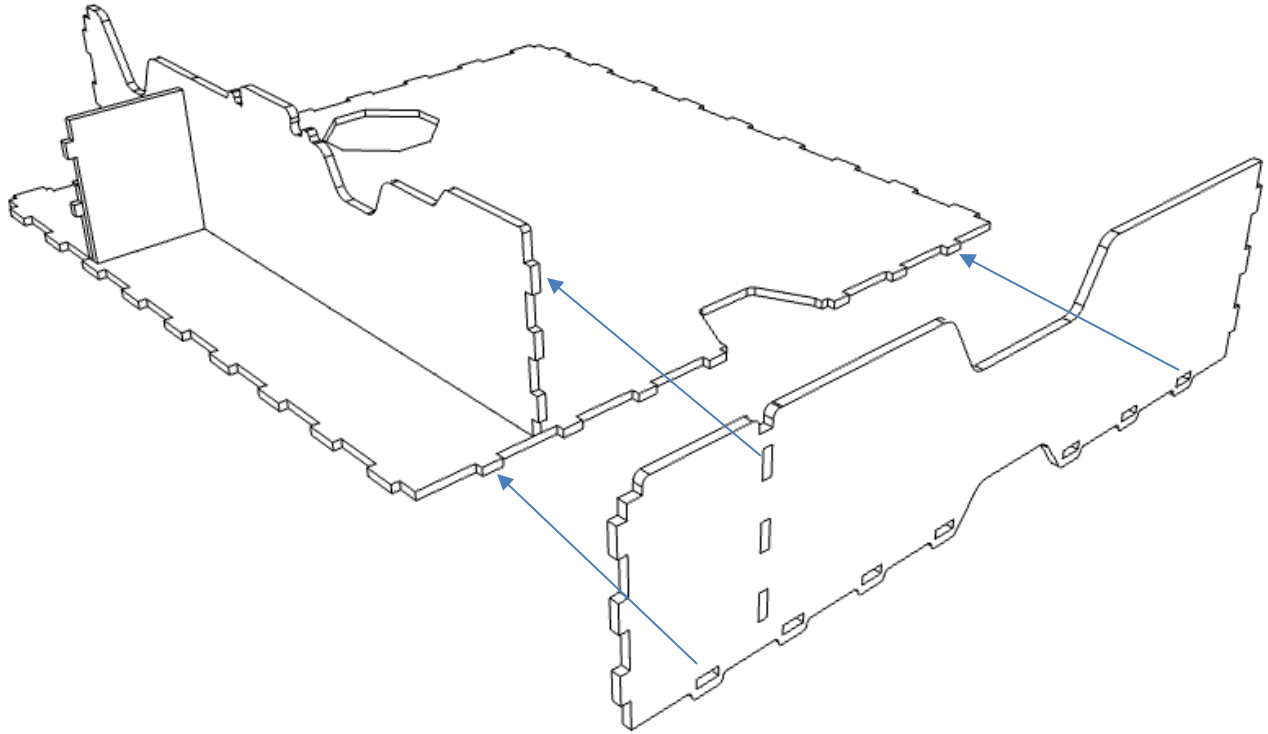

Attach the Middle Wall piece (with attached Divider Walls) to the Floor piece, making note it is facing the correct way as shown.

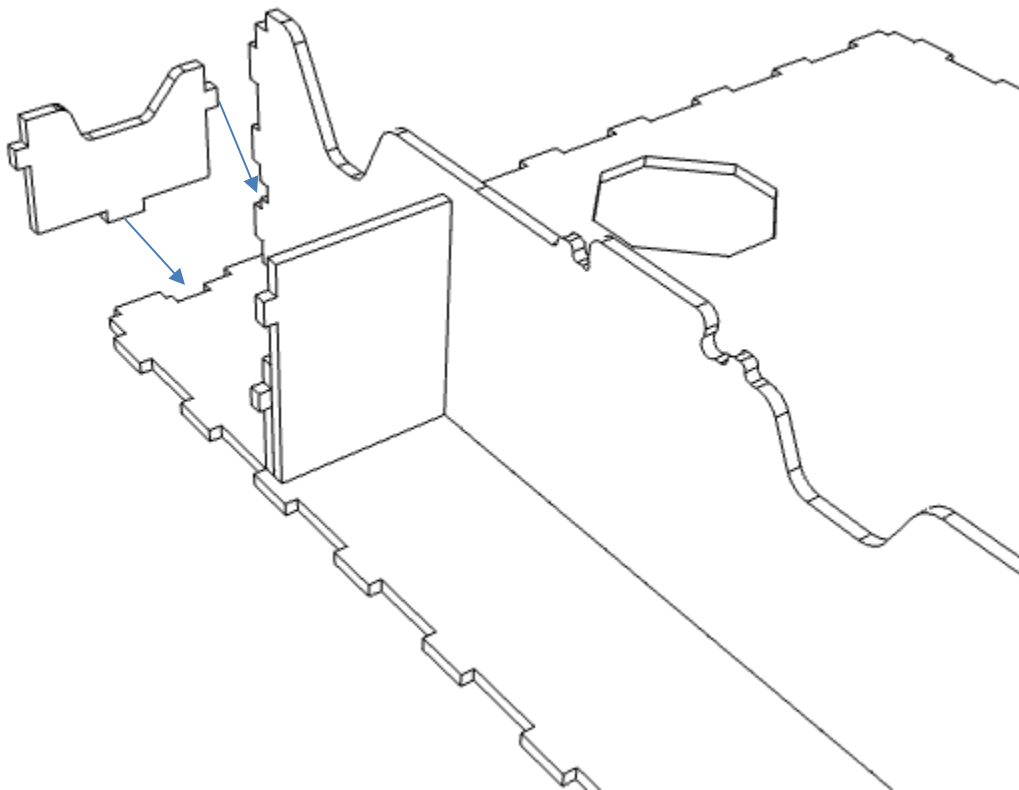

### Step 15 (Middle Drawer):

Attach the Middle Drawer Back Wall piece to the Floor piece, making note it is facing the correct way as shown.

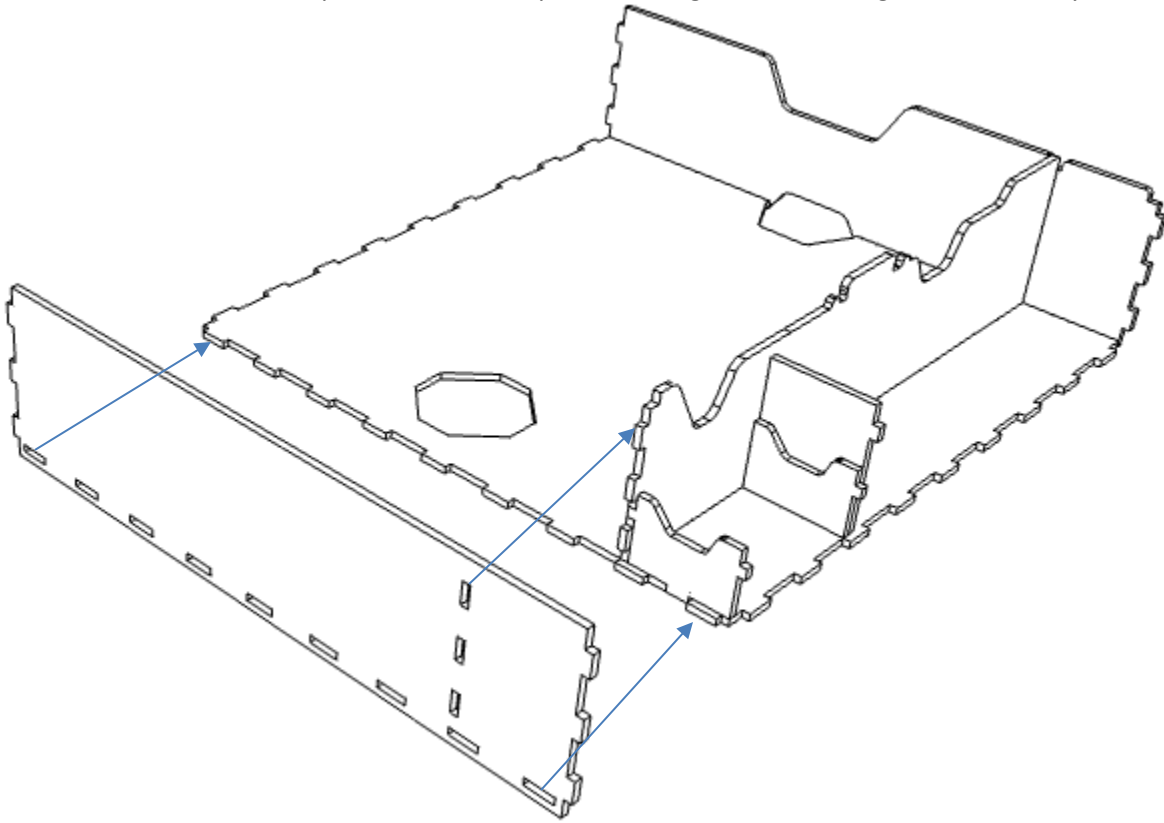

### Step 16 (Middle Drawer):

Attach the second Small Divider Wall piece to the Middle Wall and Floor pieces, making note it is facing the correct way as shown.

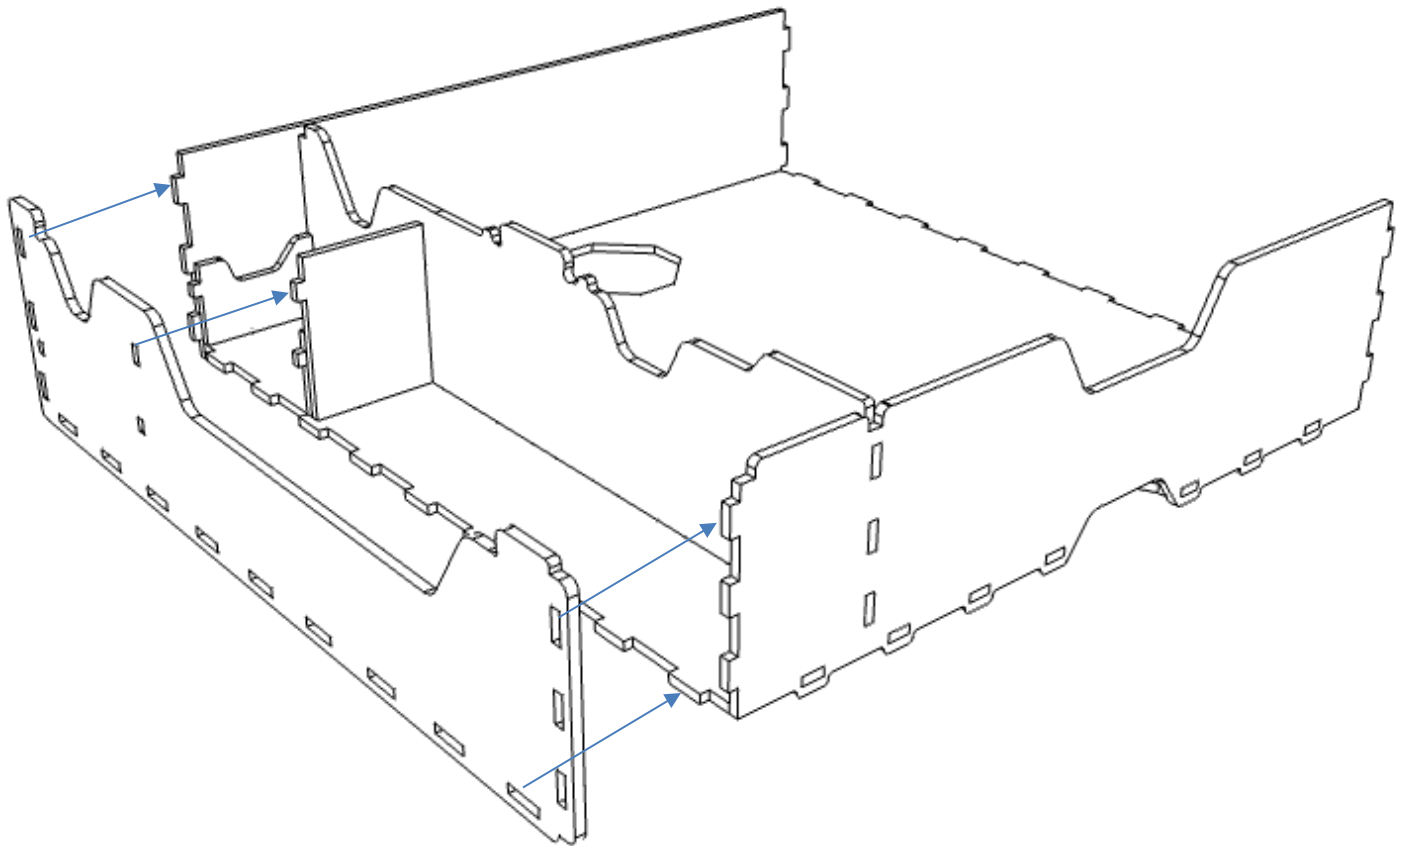

### Step 17 (Middle Drawer):

Attach the Middle Drawer Front Wall piece to the Floor piece, making note it is facing the correct way as shown.

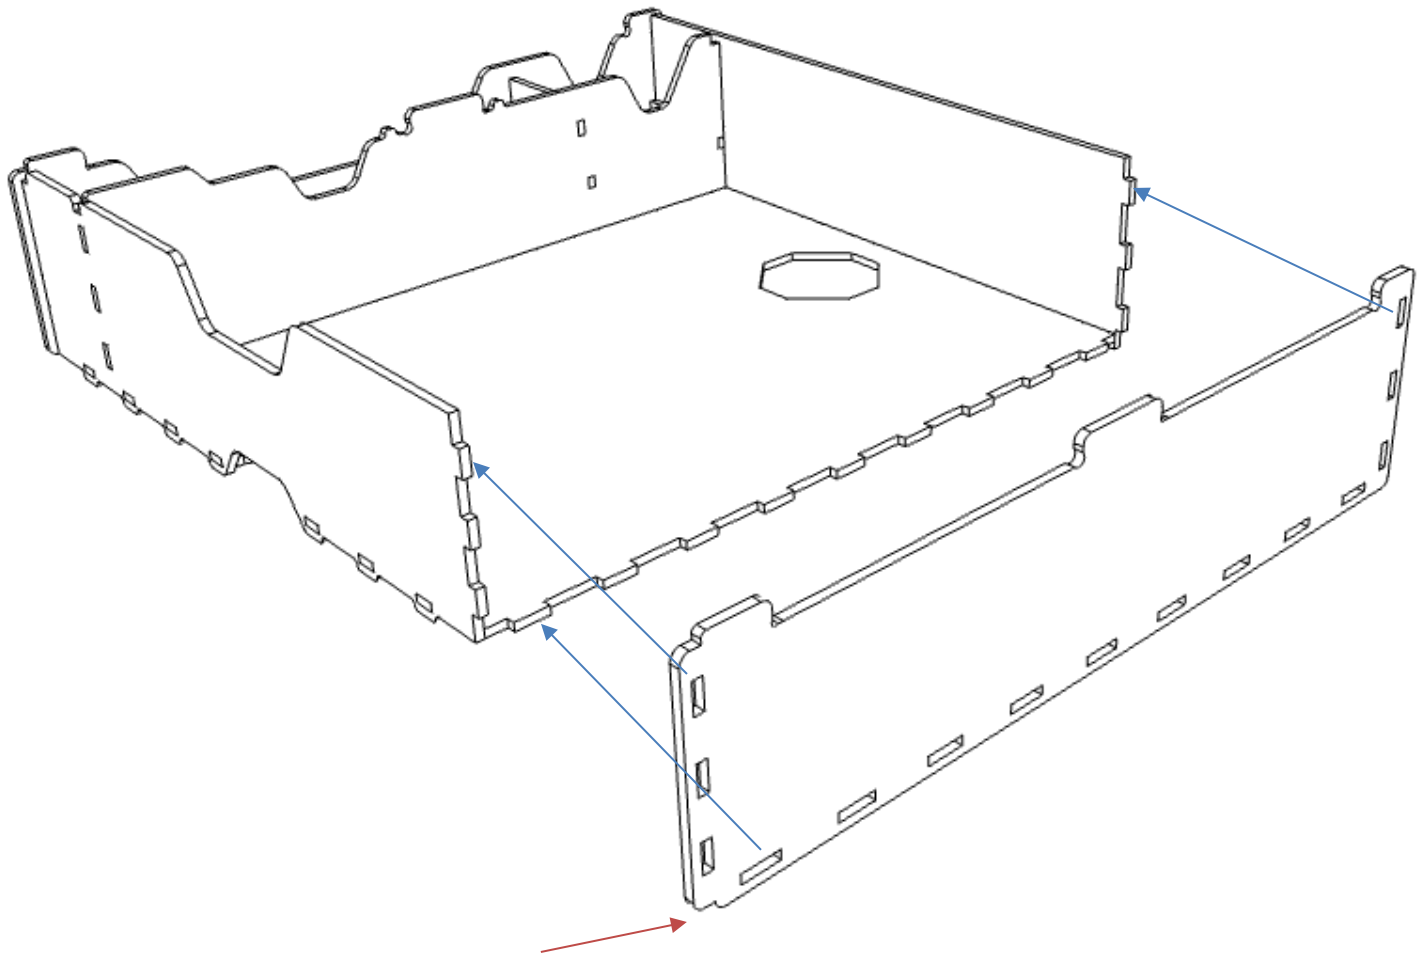

### Step 18 (Middle Drawer):

Attach the Right Side Wall piece (with notches) to the Floor piece, making note it is facing the correct way as shown.

### Step 19 (Middle Drawer):

Attach the Left Side Wall piece to complete the Middle Drawer, making note it is facing the correct way as shown. Also make sure the small notch on the bottom of the Left Side Wall piece is facing away from the Front Wall piece.

**Middle Drawer is now complete.**
